

QLS Level 5 Diploma In Counselling Child Trauma

FULLY ONLINE course for qualified counsellors

What is covered on this course?

- Students will learn the theory of psychological trauma, including looking at physiological, biological, psychological, and sociological responses to trauma.
- Students will learn a staged approach to working with trauma through exploring and critiquing trauma focused models.
- Students will also learn about safeguarding, and how to respond to safeguarding concerns.
- Students will look at how to adapt trauma focused models to meet the needs of children and young people, including how to work creatively.

Course Curriculum:

Module 1: Trauma Theory

Module 2: Complex Trauma and Attachment

Module 3: Safe and Ethical Practice: assessment and safeguarding

Module 4: Working with Child Trauma: A Staged Approach

Module 5: Self Care, Vicarious Trauma, and Burnout
