Safeguarding Adults Training for Counsellors

(Endorsed by Skills and Education Group)

Safeguarding Adults Training is for qualified counsellors and trainees who want to be confident with regards to their role in safeguarding clients they are working with. This course is also suitable for Counselling Supervisors who need to assess how their supervisees are working with their clients, ensuring that safeguarding is present at all times.

Although Local Authorities have overarching responsibility for protecting and promoting the welfare of all adults at risk. Safeguarding is ...

EVERYONE'S RESPONSIBILITY

This important CPD course will enhance your skills and give you time to reflect on your professional practice within your service/ private practice and give you the necessary training with regards to relevant interventions that can be used.
